MB Docket No. 04-312

RM No. 11049

ORDER

Adopted: October 12, 2004

Released: October 13, 2004

By the Chief, Video Division, Media Bureau:

1. On August 3, 2004, the Video Division of the Media Bureau adopted a Memorandum Opinion and Order and Notice of Proposed Rulemaking (DA 04-2483) seeking comment on whether the Commission should amend Section 73.606 of the Commission's rules, 47 C.F.R. § 73.606, to delete the noncommercial reservation of Channel *39 in Phoenix, Arizona and reserve Channel 11 in Holbrook, Arizona, at the request of NBC Telemundo Phoenix, Inc. (Telemundo), licensee of station KPHZ(TV), Channel 11, Holbrook, and Community Television Educators, Inc. (CTE), licensee of noncommercial educational television station KDTP(TV), Channel *39, Phoenix. The Commission also sought comment on whether, in the event the requested allotment changes were granted, the Commission should modify Telemundo's license to specify Channel 39 and CTE's license to specify Channel *11, without opening the channels to competing applications. Comments are presently due by October 15, 2004, and reply comments by November 30, 2004.

2. We now have before us a joint motion, filed by Telemundo and CTE, requesting that we extend the time for filing comments to and including **November 30, 2004**, and for reply comments to and including **December 14, 2004**. The parties have filed for further review of the Video Division's denial of their motion to change the ex parte status of the proceeding, and accordingly state that an extension of time in which to file comments would give the Commission an opportunity to rule on their application for review before the comments are due, which would facilitate a more consistent and orderly process for the conduct of this proceeding.

3. Good cause having been shown, we hereby grant the parties' joint motion to extend the time in which to file comments and reply comments in this proceeding. Interested parties may file comments on or before November 30, 2004, and reply comments on or before December 14, 2004. Such comments shall be filed in the manner specified in the Memorandum Opinion and Order and Notice of Proposed Rulemaking (DA 04-2438) adopted on August 3, 2004.

ORDERING CLAUSE

4. Accordingly, IT IS ORDERED that, pursuant to the authority contained in sections 1, 2(a), 4(I), 303, 307, 309, and 310 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 151, 152(a), 154(I), 303, 307 and 309, the dates for the filing of comments and reply comments in the above-reference proceeding ARE EXTENDED.
